LUKOIL AND ROSAVTODOR SIGN ROAD SERVICE AGREEMENT

Deputy Head of the RF Federal Road Agency (Rosavtodor) Igor Kostyuchenko and Vice President of LUKOIL for Petroleum Products Sales Maxim Donde signed a cooperation agreement in Moscow, today. The signing ceremony was attended by the RF Minister of Transport – Head of Rosavtodor Andrey Kostyuk and the President of LUKOIL Vagit Alekperov.

According to the document, the parties will cooperate to design and establish multi-purpose road service areas for construction and reconstruction of federal public motor roads, where advanced technologies and experimental scientific and engineering developments will be applied.

The parties have also agreed to use advanced petroleum asphalts and bitumen-based products for construction, reconstruction, replacement and regular maintenance of motor roads, and announced joint efforts to improve the quality of road bitumen and train personnel for better expertise in innovative technologies.
