LUKOIL RECEIVES AWARD AS THE BEST SOCIALLY RESPONSIBLE COMPANY

LUKOIL Group organizations became winners of the 2020 *Best Socially Responsible Oil and Gas Company* contest held by the Russian Ministry of Energy. The awards ceremony took place in Saint Petersburg under the auspices of Russian International Energy Forum.

LUKOIL received awards as a recognition of its efforts to develop labour market, promote employment, carry out special programmes for younger employees, popularise healthy lifestyle, raise occupational health and safety awareness, create industry-wide partnerships, improve quality of life of the employees and provide them with additional benefits.

LUKOIL's organizations also received awards for actively pursuing social policies and creating the interactive *Oil Pavilion* at the Moscow's *VDNKh*. The latter was granted a special award. LUKOIL had previously been named a winner of the *ICCO Global Awards* contest, one of the most prestigious international public relations events, for the *Oil Pavilion* multimedia exhibition devoted to the past, present and future of Russian oil industry.

Information:
The Russian Ministry of Energy holds the Best Socially Responsible Oil and Gas Company annually to promote Russian fuel and energy complex. The contest aims to extend expertise of the companies that proved their ability to efficiently solve topical social issues.
