LUKOIL RETAINS LEADERSHIP IN TRUSTED BRAND RATING

LUKOIL's gas stations have been rated the best in Russia by Reader's Digest. It is the fifth time running that this international publishing house names the Russian oil company victorious in the Filling Station nomination of its annual Trusted Brand survey.

LUKOIL ranked first in similar ratings of Reader's Digest in 2006, 2007, 2008 and 2009.

LUKOIL was also given a Trusted Brand. Green Planet status as a result of an enquiry concerning environmentally-friendly brands with a better reputation.

The results are summarized by Wyman Dillon Ltd., a UK independent marketing agency.
