PRESS SERVICE STATEMENT

The OAO LUKOIL Press Service would like to announce that in compliance with GOST (national standard) No. 52368-2005 all of the company's refineries in Russia have increased their throughput of winter diesel fuel.

In their turn, LUKOIL filling stations are starting to sell winter diesel fuel in view of the weather conditions in different regions of the country.

Similarly to the summer diesel fuel, the winter diesel fuel is fully compliant with the Euro 4 and Euro 5 emission standards.
