LUKOIL PRESENTS ITS SUSTAINABILITY REPORT FOR 2013-2014 IN ARKHANGELSK

A corporate social responsibility conference was held today in Arkhangelsk where PJSC LUKOIL presented its sixth report on sustainable development in the Russian Federation in 2013-2014.

The document outlines major areas and parameters of production, social and environmental activities of LUKOIL in the regions of its operations over the said period. The report also describes results of environmental programs, energy security efforts and charity projects undertaken by the Company.

The event was attended by representatives of executive and legislative bodies of the Arkhangelsk Region, regional companies of the LUKOIL Group, non-governmental organizations and mass media.

Participants in the conference also discussed current projects of the Company in Arkhangelsk Region.
