# LUKOIL TO CONTINUE IMPLEMENTATION OF SOCIAL PROJECTS IN PERM REGION

A Cooperation Protocol for 2024 under the Economic and Social Cooperation Agreement was signed today between PJSC LUKOIL and the Perm region.

As usual, the Company will participate in financing construction and reconstruction of socially important amenities, as well as education, healthcare, culture and sports facilities in the region. LUKOIL will also continue to hold its Social and Cultural Projects Competition that every year aids to carry out over 150 public initiatives in the region.

In 2023, LUKOIL helped to build a community centre for up to 200 visitors, to repair a festival hall and to reconstruct a building for another cultural centre in the municipalities of the Perm region. The reconstruction of the Country Council House, where the new stage of Perm Youth Theatre will be located, became the largest project supported.
